Students, please feel free to attach additional sheets if necessary.

1. Why are you interested in an environmental camp experience?
2. Please tell us about yourself. What are your interests, activities, favorite things about which to learn, favorite places to spend time, etc.?
3. Camp has a strong focus on animals, their habitats, and related conservation issues. Tell us why these subjects are interesting and important to you.
4. We will expect you to share your experience at camp with our Audubon group by writing a short article for our newsletter or by giving a brief presentation at our program meeting or helping a volunteer at one of our activities such as a science fair. Which activity would you be willing to do and why?

Student commitment pledge:

I am genuinely interested in this opportunity and experience and will participate in all camp activities. I am willing to engage in a follow-up activity with East Lake Washington Audubon Society.
